

ANDROID OIL AND GAS JOB SEARCH APP NOW AVAILABLE IN GOOGLE PLAY

Thursday, 2 August 2012: Following the launch of the iPhone and iPod touch app last week. [Oil and Gas Job Search](#) today release an Android version. This is the industry's first ever job site app, designed for oil and gas professionals to help them find their next job on the move. The app, now in Google Play, is [available for free download](#).

The app will allow users to connect to the world's premier oil and gas industry job site via a mobile to search, view and apply for jobs. Features include:

- Find jobs - Keep up to date with the latest job postings on the move
- Job alerts - Get push notifications of job alerts as soon as they become available
- Free - The service is completely free of charge

The new mobile app is currently available for Android, iPhone and iPod touch. The iPad app will be available at the end of this month.
