

Alzinova publishes prospectus

The Board of Directors of Alzinova AB (publ) ("Alzinova" or "the Company") publishes a prospectus in connection with the rights issue of units consisting of shares and warrants ("Units") decided by the Board of Directors on 18 September 2020 with the support of the authorization from the Annual General Meeting on 14 May 2020 (the "Rights Issue"). The prospectus has today been approved and registered by the Swedish Financial Supervisory Authority.

NOT FOR RELEASE, DISTRIBUTION OR PUBLICATION, DIRECTLY OR INDIRECTLY, IN OR INTO THE UNITED STATES OF AMERICA, CANADA, AUSTRALIA, SOUTH AFRICA, JAPAN, HONGKONG, SWITZERLAND, SINGAPORE, THE UNITED KINGDOM, NEW ZEALAND, OR ANY OTHER JURISDICTION IN WHICH THE RELEASE, DISTRIBUTION OR PUBLICATION WOULD BE UNLAWFUL.

Alzinova carries out a rights issue of Units with a focus on financing the clinical development of ALZ-101. If the Rights Issue is fully subscribed, Alzinova will initially receive approximately SEK 50 million before deductions of costs related to the Rights Issue. The rights issue is 95 percent secured through subscription and guarantee commitments.

Upon full exercise of the warrants of series TO2 2020/2022, the Company will receive an additional SEK 25-42 million (depending on the final exercise price and assuming full subscription). The warrants will be admitted to trading on Nasdaq First North Growth Market ("**Nasdaq First North**").

For complete information on the Rights Issue, please see the prospectus prepared by the Company and which has today been approved and registered by the Swedish Financial Supervisory Authority.

Preliminary timeline for the Rights Issue

- September 30, 2020 – October 12, 2020 – Trading in rights
- September 30, 2020 – Oktober 14, 2020 – Subscription period
- September 30, 2020 – Until the Rights Issue is registered at the Swedish Companies Registration Office – Trading in paid subscribed units (BTU)
- October 19, 2020 – Estimated publication of outcome of Rights Issue
- January 24, 2022 – 7 February 7, 2022 – Redemption of warrants
- Week 7 2022 – Estimated publication of outcome of redemption of warrants

About Alzinova AB

Alzinova AB is a Swedish biopharma company specializing in the treatment of Alzheimer's disease targeting neurotoxic amyloid-β oligomers. The lead candidate, ALZ-101, is in late preclinical development as a therapeutic vaccine for the treatment of Alzheimer's. Alzinova's proprietary AβCC peptide™ technology enables the development of disease-modifying therapies that target the toxic amyloid-β oligomers involved in the onset and progression of the disease with high precision. Alzheimer's is one of the most common and devastating neurological diseases globally, with of the order of 40 million people afflicted today. In addition, the antibody ALZ-201, in early preclinical development, was generated with the AβCC peptide™ technology and the ambition is to expand the pipeline further. The Company's Certified Advisor on Nasdaq First North is Corpura info@corpura.se +46 768-532 822. For more information about Alzinova, please visit: www.alzinova.com

IMPORTANT INFORMATION

The information in this press release does not constitute an offer to acquire, subscribe for or otherwise trade with shares or other securities in Alzinova. No action has been taken, nor will any actions be taken, to permit an offer to the public in any other jurisdiction than Sweden. An invitation to eligible persons to subscribe for shares or other securities in Alzinova will only be made through the prospectus which Alzinova published on September 29, 2020.

The information in this press release may not be published or distributed, directly or indirectly, within or into the United States of America (including its territories and possessions, any state of the United States and the District of Columbia, the "USA"), Australia, Hong Kong, Japan, Canada, New Zealand, Switzerland, Singapore, the United Kingdom, South Africa or South Korea or any jurisdiction where doing so might be unlawful, subject to legal restrictions or require other actions than the ones prescribed under Swedish law. Actions in violation of these instructions may constitute a breach of applicable securities law. This press release does not constitute an offer of invitation to acquire or subscribe for shares or other securities in the USA. No subscription rights, BTU or Units or other securities issued by the Company (the "Securities") have been, nor will they be, registered under the U.S. Securities Act of 1933, as amended (the "Securities Act") or the securities laws in any other state or jurisdiction in the USA and no Securities may be offered, subscribed, used, pledged, sold, retailed, delivered or transferred, directly or indirectly, in or into the USA other than pursuant to an applicable exemption from, or in a transaction not subject to, the registration requirements of the Securities Act and in compliance with any applicable securities laws of any state or other jurisdiction of the USA. The Securities have not been and will not be approved or registered by the Securities and Exchange Commission, any state securities authority or other authority in the USA. No such authority has assessed or made any statements about the Rights Issue or the accuracy or reliability of the prospectus. To assert the contrary is a criminal act in the USA.

Within the European Economic Area ("EEA"), no public offering of Securities is made in any other country than Sweden. In other EEA member states which have implemented Regulation (EU) 2017/1129 of the European Parliament and of the Council (the "Prospectus Regulation") an offering of Securities may only be made in accordance with an exemption from the Prospectus Regulation and any relevant implementing measure.

This press release may contain certain forward-looking statements which reflect Alzinova's current view of future events and financial and operational developments. Words such as "intends", "estimates", "expects", "may", "plans", "deems", "believes", "assesses", "anticipates", "will", and other similar expressions which imply indications or predictions regarding future developments or trends, and which are not based on historical facts, constitute forward-looking information. Forward-looking information is by nature affiliated with known and unknown risks and uncertainties since it is dependent on future events and circumstances. Forward-looking information does not constitute any guarantee regarding future results or development and the actual outcome may materially differ from forward-looking statements. The information, assessments and forward-looking statements in this press release are only relevant as of the date of this press release and may change without notice.
