

## Alzinova's rights issue is heavily oversubscribed

Alzinova AB (publ) ("Alzinova" or the "Company") has ended the issue of Units with pre-emption rights for the Company's shareholders, which was resolved upon by the board of directors on 18 September 2020 on the basis of the authorization from the annual general meeting on 14 May 2020 (the "Rights Issue"). The subscription period ran from and including 30 September 2020 until and including 14 October 2020. Through the Rights Issue, Alzinova receives proceeds amounting to approximately SEK 49.6 million before deduction of costs related to the Rights Issue. 7,265,060 Units, corresponding to approximately 95 per cent of the Rights Issue, were subscribed for by the exercise of subscription rights (including subscription undertakings). Furthermore, 5,945,508 Units were subscribed for without subscription rights, corresponding to approximately 78 per cent of the Rights Issue. In total, the Rights Issue was subscribed for at 173 percent. Guarantee commitments made in connection with the Rights Issue will thus not be utilized. Furthermore, the board of directors has today resolved on a Directed Issue of 508,894 Units, corresponding to approximately SEK 3.5 million, to the guarantors in the Rights Issue as compensation for their guarantee commitments (the "Directed Issue").

NOT FOR RELEASE, DISTRIBUTION OR PUBLICATION, DIRECTLY OR INDIRECTLY, IN OR INTO THE UNITED STATES OF AMERICA, CANADA, AUSTRALIA, SOUTH AFRICA, JAPAN, HONGKONG, SWITZERLAND, SINGAPORE, THE UNITED KINGDOM, NEW ZEALAND, OR ANY OTHER JURISDICTION IN WHICH THE RELEASE, DISTRIBUTION OR PUBLICATION WOULD BE UNLAWFUL.

Alzinova carries out the Rights Issue with a focus on financing the clinical development of ALZ-101.

### Comment from Alzinova's CEO, Kristina Torfgård

*"I would like to give a big thank you to both existing and new shareholders for the trust we have received. It is nice to see the great interest in Alzinova. With the issue proceeds, we now look forward to continuing the work of preparing the drug candidate ALZ-101 for the next step of clinical development and thus make the project even more attractive for partnerships. This is for us an important sub-goal in developing a disease-modifying therapeutic vaccine to treat and also prevent the progression of Alzheimer's disease and thus enable patients to live an independent and active life free from the impact of Alzheimer's disease." - Kristina Torfgård, CEO Alzinova*

### Outcome

The Rights Issue comprised a maximum of 7,633,415 Units, of which 7,265,060 Units, corresponding to approximately 95 percent of the Rights issue, has been subscribed for by exercise of subscription rights. A total of 5,945,508 Units, corresponding to approximately 78 percent of the Rights Issue, has been subscribed for without use of subscription rights. Thus, 13,210,568 Units, corresponding to approximately 173 percent of the offered Units, has been subscribed for with and without the use of subscription rights. Guarantee commitments made in connection with the Rights Issue will thus not be utilized.

### Notification regarding allocation

Allocation of Units has been made in accordance with the allocation principles described in the prospectus that was published in connection with the Rights Issue. A notification regarding allocation of Units subscribed for without subscription rights will be made by post of a contract note to each subscriber. Allocated Units subscribed for without subscription rights shall be paid for in accordance with the instructions in the contract note.

### Trading in BTU

Trading in BTU (Sw: betald tecknad Unit) is currently taking place at Nasdaq First North Growth Market ("Nasdaq First North") and will cease when the Rights Issue has been registered by the Swedish Companies Registration Office. BTU:s will then be converted to ordinary shares and warrants.

### Resolution on issue of Units to the guarantors in the Rights Issue

The board of directors in the Company has today, on the basis of the authorization from the annual general meeting on 14 May 2020, resolved on the Directed Issue. The Units issued in the Directed Issue each consists of one (1) share and one (1) warrant of series TO2 2020/2022, thereby the Units have the same composition as the Units issued in the Rights Issue. The Units issued in the Directed Issue are paid through set-off against a part of the claim that the guarantors have against the Company for the guarantee commitments in the Rights Issue. The subscription price in the Directed Issue amounts to SEK 6.81, corresponding to the volume-weighted average price for the Company's shares on Nasdaq First North during the subscription period for the Rights Issue with a discount of 15 percent.

The Directed Issue entails an initial dilution of approximately three (3) percent of the total number of shares in the Company after the Rights Issue and the Directed Issue. Upon full exercise of all warrants of series TO2 2020/2022 issued in the Directed Issue, the Directed Issue entails a total dilution of approximately five (5) percent of the total number of shares in the Company after the Rights Issue and the Directed Issue.

### Number of shares and share capital

Through the Rights Issue and the Directed Issue, the total number of shares in Alzinova increases to 15,775,724 shares and the share capital increases to SEK 4,149,015.412. The number of warrants of series TO2 2020/2022 will amount to 8,142,309. Upon full utilization of all outstanding warrants of series TO2 2020/2022 the total number of shares in Alzinova increases to 19,846,878 shares and the share capital increases to SEK 5,219,728.914.

### Warrants

Two (2) warrants of series TO2 2020/2022 entitles the holder to subscribe for one (1) new share in the Company during the period 24 January – 7 February 2022 at an exercise price corresponding to 70 percent of the volume-weighted average price paid for the Company's share on Nasdaq First North for a period of ten (10) trading days immediately preceding 19 January 2022, however not less than SEK 6.5 and not more than SEK 11.0 per share. Full terms and conditions are available in Alzinova's prospectus on the Company's website ([www.alzinova.com](http://www.alzinova.com)).

### Advisers

Redeye AB acts as financial adviser, Fredersen Advokatbyrå AB acts as legal adviser and Hagberg Aneborn Fondkommission AB acts as the issuing agent in the Rights Issue.

#### **About Alzinova**

*Alzinova AB is a Swedish biopharma company specializing in the treatment of Alzheimer's disease targeting neurotoxic amyloid- $\beta$  oligomers. The lead candidate, ALZ-101, is in late preclinical development as a therapeutic vaccine for the treatment of Alzheimer's. Alzinova's proprietary A $\beta$ CC peptide™ technology enables the development of disease-modifying therapies that target the toxic amyloid- $\beta$  oligomers involved in the onset and progression of the disease with high precision. Alzheimer's is one of the most common and devastating neurological diseases globally, with of the order of 40 million people afflicted today. In addition, the antibody ALZ-201, in early preclinical development, was generated with the A $\beta$ CC peptide™ technology and the ambition is to expand the pipeline further. The Company's Certified Advisor on Nasdaq First North Growth Market is Corpura info@corpura.se +46 768-532 822. #### **Important information**

The information in this press release does not constitute an offer to acquire, subscribe for or otherwise trade with shares or other securities in Alzinova. No action has been taken, nor will any actions be taken, to permit an offer to the public in any other jurisdiction than Sweden. An invitation to eligible persons to subscribe for shares or other securities in Alzinova will only be made through the prospectus which Alzinova published on September 29, 2020.

The information in this press release may not be published or distributed, directly or indirectly, within or into the United States of America (including its territories and possessions, any state of the United States and the District of Columbia, the "USA"), Australia, Hong Kong, Japan, Canada, New Zealand, Switzerland, Singapore, the United Kingdom, South Africa or South Korea or any jurisdiction where doing so might be unlawful, subject to legal restrictions or require other actions than the ones prescribed under Swedish law. Actions in violation of these instructions may constitute a breach of applicable securities law. This press release does not constitute an offer of invitation to acquire or subscribe for shares or other securities in the USA. No subscription rights, BTU or Units or other securities issued by the Company (the "Securities") have been, nor will they be, registered under the U.S. Securities Act of 1933, as amended (the "Securities Act") or the securities laws in any other state or jurisdiction in the USA and no Securities may be offered, subscribed, used, pledged, sold, retailed, delivered or transferred, directly or indirectly, in or into the USA other than pursuant to an applicable exemption from, or in a transaction not subject to, the registration requirements of the Securities Act and in compliance with any applicable securities laws of any state or other jurisdiction of the USA. The Securities have not been and will not be approved or registered by the Securities and Exchange Commission, any state securities authority or other authority in the USA. No such authority has assessed or made any statements about the Rights Issue or the accuracy or reliability of the prospectus. To assert the contrary is a criminal act in the USA.

Within the European Economic Area ("EEA"), no public offering of Securities is made in any other country than Sweden. In other EEA member states which have implemented Regulation (EU) 2017/1129 of the European Parliament and of the Council (the "Prospectus Regulation") an offering of Securities may only be made in accordance with an exemption from the Prospectus Regulation and any relevant implementing measure.

This press release may contain certain forward-looking statements which reflect Alzinova's current view of future events and financial and operational developments. Words such as "intends", "estimates", "expects", "may", "plans", "deems", "believes", "assesses", "anticipates", "will", and other similar expressions which imply indications or predictions regarding future developments or trends, and which are not based on historical facts, constitute forward-looking information. Forward-looking information is by nature affiliated with known and unknown risks and uncertainties since it is dependent on future events and circumstances. Forward-looking information does not constitute any guarantee regarding future results or development and the actual outcome may materially differ from forward-looking statements.
