About Brighter AB (publ).

Brighter is a Swedish-based company that, from a unique IP portfolio, creates smart solutions for one of healthcare's biggest challenges: changing patient behavior. Chronic diseases such as diabetes are rapidly increasing, and account for an increasing share of healthcare costs globally. Brighter's Business Model and Multi-Sided Market Platform - The Benefit Loop®- is based on the fact that many special interests create value for each other. By increasing access to valid health data, Brighter creates value for all stakeholders in the care chain: patients and their close associates, healthcare providers, research institutes, the pharmaceutical industry, and society as a whole. Brighter is certified under ISO 13485. In 2019 the company won the Swecare Rising Stars Award. <https://brighter.se/>
