Brighter enters into a share purchase agreement with Camanio Care on the acquisition of Camanio Care's subsidiary.

Brighter AB (publ) ("Brighter") has on 8 September 2019 announced that it has signed a letter of intent with Camanio Care AB (publ) ("Camanio Care") regarding the acquisition of all shares in Camanio Care's subsidiary holding the complete business of Camanio Care. Brighter has today entered into a share purchase agreement with Camanio Care regarding the terms of the acquisition. The agreement stipulates that the purchase price for the subsidiary is 17 MSEK. The acquisition of Camanio Care's subsidiary also requires that the acquisition is approved by Camanio Care at an Extraordinary General Meeting.

The purchase price for the planned acquisition is intended to be paid by Brighter through a non-cash issue directed to Camanio Care, in which Camanio Care will transfer all shares in its subsidiary to Brighter as consideration for subscribed shares. The value of the number of shares planned to be issued by Brighter in the non-cash issue will correspond to the agreed purchase price for the subsidiary. This number of shares to be issued will be established on the basis of the volume-weighted average price for the Brighter share during a period of twenty (20) trading days before the decision on the non-cash issue.

If the general meeting in Camanio Care approves of the transfer of the subsidiary to Brighter, the transaction will be executed in accordance with the following preliminary time schedule.
