

## Cognosec AB (publ) rebrands as CYBER 1(Nasdaq: CYB1; OTC - Nasdaq Intl: CYBNY)

**Cognosec AB today announces that it is rebranding to CYBER 1, following an approved vote to formally change the company's name at the Annual General Meeting of 28th June 2018.**

The company's legal name will be Cyber Security 1 AB, following approval by Bolagsverket.

The rebrand, which takes place with immediate effect, will also see the Nasdaq First North ticker (Nasdaq: COGS.ST) changed to Nasdaq: CYB1.ST, with the ticker change to take effect following this press release and receipt by Nasdaq of the exchange notice from our certified advisors Mangold Fondkommission AB. The rebranding will provide clear delineation between the parent company and its subsidiaries, which comprise the professional services and advisory arms, with the advisory arm also named Cognosec.

Commenting on the name change, Chairman of CYBER 1, Kobus Paulsen stated:

*"Following several acquisitions, the decision to rebrand the parent entity marks the beginning of the next chapter for our company. CYBER 1 will provide both consumers and investors with a clear message and understanding of who we are and what we do, and it is our intention to drive this brand globally, in conjunction with both strong organic and acquisitive growth."*
