

AhlSell acquires Finnish company within electrical automation

AhlSell Oy has signed an agreement to acquire PJ-Control Oy, an electrical automation company with annual sales of approximately MEUR 7.5.

PJ-Control is a company with good foothold in the greater Helsinki area with customers mainly in the industrial segment, maintenance and machinery production suppliers. PJ-Control has fifteen employees in its branch in Vantaa.

"This acquisition will strengthen AhlSell's position within electrical automation in Finland and give our customers an even greater access to our broad assortment of products and services.", says Mika Salokangas, Head of operations for AhlSell in Finland.

The acquisition is expected to be closed in January 2019 and have a minor positive impact on the Group's earnings in 2019.
