

AhlSell acquires Kartecon Oy

AhlSell has signed an agreement to acquire Kartecon Oy. The company offers a wide range of tools and supplies to the construction industry. The company has 13 employees and annual sales of 5.5 mEUR.

The company's customer base consists of construction companies and contractors to whom they offer a wide range of tools and supplies, workwear, fastening solutions and construction products.

This acquisition strengthens our position in the Helsinki area and expands our offering to new and existing customers. We broaden our product portfolio and acquire industry experience, product knowledge and customer relationships, which gives us the opportunity to provide the market with a complete product range for construction and infrastructure projects.

The acquisition is expected to be completed in August.
