

Press release, 19 January 2016

Tohmajärvi extends agreement with Attendo

Tohmajärvi municipality in Finland has extended its current contract with Attendo. The annual contract value is around SEK 185 million (EUR 20 million).

A contract has been signed between Attendo Oy and the Tohmajärvi municipality to extend the contract regarding the social and health care services of Tohmajärvi until the end of 2018, adding two years to the current agreement.

- We are very pleased with the continued confidence Tohmajärvi municipality has shown in Attendo and the quality of services we deliver. We look forward to continue being the supplier of care and health care services to citizens of Tohmajärvi for the coming years, says Antti Ylikorkala, business area manager for Attendo Healthcare in Finland.

The annual value of the contract is about SEK 185 million (EUR 20 million) in revenue for years 2017 and 2018. Attendo has been producing all the social and health care services in Tohmajärvi municipality since 2013.

Attendo - the leading care and healthcare company in the Nordics

Attendo is the leading private provider of publicly financed care and healthcare services in the Nordic region. The company was founded in 1985 and was first to provide outsourced care for older people in Sweden. In addition to care for older people, Attendo provides care for people with disabilities, individuals and families, and, in Finland, healthcare and dental care. Attendo has 18 000 employees and is locally anchored with 490 operations in more than 200 municipalities in Sweden, Finland, Norway and Denmark. www.attendo.com
