

Press release

Take Off – The Flight Simulator

Free Military DLC brings breathtaking jetfighter into the game!

Moenchengladbach/Germany, July 28th, 2016 – Just a few weeks ago **Take Off – The Flight Simulator** enjoyed a flying start for the upper ranks of the Apple® App Store™ and the Google Play® Store. Now astragon Entertainment is very happy to announce the release of the second additional content for the new flight simulation.

The **Military DLC** brings players another fascinating experience of flying. With the new jetfighter "T016" players can not only perform daring maneuvers, in addition to its agility it also can reach a breathtaking speed of over 1000 knot, which makes every flight uniquely.

Players can enter the cockpit of the new jetfighter und fly scouting missions, start and land on an aircraft carrier, perform challenging refueling maneuvers in the air or test the jetfighter in the freeflight mode.

Furthermore the **Military DLC** fixes minor bugs and improves the overall performance of **Take Off – The Flight Simulator**.

The **Military DLC** is now available for free for all players in possession of the main game **Take Off – The Flight Simulator** and can be easily downloaded via the game's update function. In order to access the new plane the players only need to have enough experience points and coins to unlock the aircraft and start into their military adventure.

Take Off – The Flight Simulator is currently available for only 0.99 Euro/0.99 USD/0.79 GBP for a limited time in the Apple® App Store™ and the Google Play® Store.

About astragon Entertainment GmbH and astragon Sales & Services GmbH

The astragon Entertainment GmbH and the astragon Sales & Services GmbH have emerged as the core of the newly created astragon group formerly consisting of the two games publishers astragon Software GmbH (founded in 2000) and rondomedia Marketing & Vertriebs GmbH (founded in 1998) in July 2015. Today, the astragon group is the second largest producer and marketer of computer games in Germany (number of units CD-ROM/DVD as per GfK Media Control, complete annual evaluation 2015).

The main focus of the group's product range lies with casual games and technical simulation games for PC. Adventure games and economy simulations complement astragon's diverse portfolio. The popular game series "Big Fish Games", "play+smile" and "Best of Simulations" form three strong umbrella brands by astragon in retail market. Additionally to the distribution to retail partners in the German language area by the astragon Sales & Services GmbH, products are also marketed internationally under license and via download by the astragon Entertainment GmbH. Games for consoles, mobile devices as well as smartphones and tablets complete astragons product range. For more information, please visit www.astragon-entertainment.de.

About Jujubee

Jujubee is a games development studio located in Katowice, Poland, best known for the FLASHOUT series of futuristic racing games. The company was founded in 2012 by former CD Projekt RED (The Witcher 2), Traveller's Tales (LEGO Indiana Jones, LEGO Batman) and Infinite Dreams (Let's Create! Pottery, Jelly Defense) crew members: Arkadiusz Duch, Michal Stepien and Igor Zielinski. The studio's goal is to create great looking, addictive and entertaining games for all popular platforms – including iOS, Android, Mac, PC and consoles.
