### Construction Simulator 2

Construction Simulator 2 vehicle fleet to be expanded by officially licensed Atlas machines!

**Moenchengladbach, December 16th, 2016** – Today, astragon Entertainment GmbH, weltenbauer. Software Entwicklung GmbH and Atlas GmbH are happy to announce an official partnership for **Construction Simulator 2** currently in development for iPhone® and iPad® as well as smartphones and tablets using Android™. ATLAS® is known worldwide for its excellent cranes and excavators. Under the motto "Stable. Strong. Steady." the company has been manufacturing reliable high-quality construction machines since 1919.

Thanks to this partnership the original 340 LC crawler excavator, the L 310 wheel loader and the 160 W mobile excavator will be accessible to the players of **Construction Simulator 2**.

Tim Schmitz, Head of Products at astragon Entertainment GmbH: " *The partnership with Atlas GmbH is an important milestone for us and enriches the Construction Simulator 2 fleet with further exciting construction machines.*"

Brahim Stitou, CEO at Atlas GmbH: " *We are happy that due to the cooperation with astragon Entertainment our customers and friends of the ATLAS brand will soon get the opportunity to "test drive" and experience our excavators and wheel loaders in this simulation game.*"

The extensive vehicle pool of **Construction Simulator 2** will include numerous construction vehicles and machines by makers such as Cat®, LIEBHERR®, PALFINGER®, Bell Equipment and ATLAS®.

The release of **Construction Simulator 2** for iPhone® and iPad® as well as smartphones and tablets using Android™ is planned for spring 2017.

### **About astragon Entertainment GmbH and astragon Sales & Services GmbH**

The astragon Entertainment GmbH and the astragon Sales & Services GmbH have emerged as the core of the newly created astragon group formerly consisting of the two games publishers astragon Software GmbH (founded in 2000) and rondomedia Marketing & Vertriebs GmbH (founded in 1998) in July 2015. Today, the astragon group is the second largest producer and marketer of computer games in Germany (number of units CD-ROM/DVD as per GfK Media Control, complete annual evaluation 2015).

The main focus of the group's product range lies with casual games and technical simulation games for PC. Adventure games and economy simulations complement astragon's diverse portfolio. The popular game series "Big Fish Games", "play+smile" and "Best of Simulations" form three strong umbrella brands by astragon in retail market. Additionally to the distribution to retail partners in the German language area by the astragon Sales & Services GmbH, products are also marketed internationally under license and via download by the astragon Entertainment GmbH. Games for consoles, mobile devices as well as smartphones and tablets complete astragons product range. For more information, please visit <http://www.astragon.de/en/>.
