Construction Simulator 2

Official release trailer revealed

Moenchengladbach/Germany, March 16, 2017 – With the release of the official launch trailer of **Construction Simulator 2** astragon Entertainment GmbH and weltenbauer. Software Entwicklung GmbH are offering some further animated insights into the upcoming simulation game for iPhone® and iPad® as well as smartphones and tablets using the Android™ operating system to fans of the popular franchise today.

In **Construction Simulator 2** the player starts out as the owner of a small construction company who follows his dream of becoming the biggest real estate tycoon of the fictional US state of Westside Plains. In order to successfully tackle the almost innumerable varied tasks he will be able to choose from 36 officially licensed construction vehicles by famous makers. From excavating, to the construction of high-rise buildings, controlling gigantic cranes, the loading and transport of building materials, the pouring of concrete or the paving of roads – the huge open game world of **Construction Simulator 2** and its endless game mode will offer hours upon hours of fun gameplay to all fans of complex construction machinery.

Please find the **Construction Simulator 2** release trailer here on YouTube:
