

Press release

TransRoad: USA

Press conference unveils release date and gamescom trailer

Moenchengladbach/Cologne, Germany, August 22, 2017 – astragon Entertainment and Deck13 Hamburg had some interesting new information to offer to logistic fans at today's gamescom press conference in Cologne: Their upcoming management simulation game **TransRoad: USA** will be released worldwide on November 9, 2017 and be available for PC and Mac both in retail and as a digital download for 24.99 Euro / 24.99 USD (RSP).

Players can then take the fate of a young transport company into their own hands and – by applying all their management skills and savvy planning - turn it into the biggest hauler of the whole USA!

The gamescom trailer offers a further glimpse into the gameplay and game world of **TransRoad: USA**: <https://youtu.be/gE9dEUwrE4s>

More information about the development of **TransRoad: USA** and its many features can also be found on Facebook:

About astragon Entertainment GmbH

astragon Entertainment (founded in 2000) ranks among the leading independent games publishers in Germany. Our versatile product portfolio focuses on high-quality technical simulation games such as Construction Simulator, Farming Simulator or Bus Simulator, but also covers complex economic simulations and strategy games. The distribution of the Big Fish franchise (Mystery Case Files, Dark Parables, Grim Tales) completes our exciting product range. Games by astragon are available worldwide on many different platforms such as consoles, smartphones, tablets and PC. Please visit us for more information at <http://www.astragon.de/en/>

About Deck13 Hamburg:

Deck13 Hamburg is a German game development studio founded in 2013. We specialize in strategy and simulation games with our most recent releases being „TransOcean: The Shipping Company“ (2014) and „TransOcean 2: Rivals“ (2016) for PC and MAC OS. Our experienced 8-person-strong team is currently developing „TransRoad USA“, a management simulation game, which is set to be released in fall 2017.
