Bus Simulator 18

Free update brings new missions and extra content for bus drivers!

Moenchengladbach/Germany, August 16, 2018 – astragon Entertainment GmbH and the stillalive studios developer team are happy to announce the release of the newest update for **Bus Simulator 18** today. Virtual bus drivers can now look forward to an extensive package of brand new challenging missions.

After focusing on general game improvements and free content such as the **License Plate Generator** and the **Country Skin & Decal Pack** DLC for the Bus Simulator 18, the stillalive studios developer team now comes up with the next big surprise for the **Bus Simulator 18** community: The brand new **Mission Pack # 1** offers a whole set of new missions for advanced bus drivers! Just like in the previous missions, the new tasks are charmingly synchronized by professional voice actors.

The **Mission Pack # 1** expands **Bus Simulator 18** by three brand new missions, along with a number of challenging sub-tasks that focus on boosting tourism in the city. In addition to special points of interest and hiking tourism, the nightlife of Seaside Valley plays a crucial role, too. As a reward for fulfilling the new tasks players can look forward to three brand-new decals, a complete bus skin and numerous new colors to customize their bus fleet.

Bus Simulator 18 for PC is available at a price of 29.99 Euro, 34.99 USD, 26.99 GBP in retail and digital stores. The new **Mission Pack # 1** update is now available as a free download for owners of the main game on Steam™.
