## NetEnt plays their ace card and unleashes spectacular Motörhead slot

**NetEnt, the leading developer of world-class digital casino solutions, is turning up the volume higher than ever with Motörhead, their rocking finale slot game to the ‘NetEnt Rocks’ tour.**

Guns N’ Roses and Jimi Hendrix are already wowing NetEnt’s customers and their players with their high quality game play, breathtaking design and iconic soundtracks. Now, players will be able to spin the reels to the unforgettable sounds of Phil Campbell, Mikkey Dee and Ian ‘Lemmy’ Kilminster too.

From Ace of Spades to Overkill, the spine-chilling slot includes some of the band’s world famous tunes, with one of their best – Bomber – lending its name to a unique feature on the game.

The five-reel, 76-line video slot also ramps up the action with free spins and wild substitution, as well as a Mystery Reel feature.

Simon Hammon, Chief Product Officer of NetEnt, comments: *“The NetEnt Rocks tour has rewritten the rules for branded games, with Guns N’ Roses and Jimi Hendrix exploding onto centre stage this year. Now, our customers can crank up the volume once more with the launch of our slot based on the iconic gaming song Ace of Spades, which we’re sure will capture player’s imagination yet again.”*
