NetEnt serves up a feast for the senses with Jungle Spirit: Call of the Wild

NetEnt, the leading provider of digital gaming solutions, brings to life nature's colourful sights and sounds as it takes players on a journey in its latest game release Jungle Spirit: Call of the Wild.

Jungle Spirit: Call of the Wild™ is a 243-bet way, 5-reel, 3-row video slot that features free spins, a symbol expansion feature, and a brand-new Butterfly Boost feature.

The Butterfly Boost feature is activated randomly in the main game during a win situation, when there are no scatter symbols or symbols marked by butterflies on the reels. The butterflies fly around the reels and land on between one and three symbols causing them to expand and increase winnings.

The graphic-rich title promises to be a thrilling adventure. It features dangerous animals hiding around every corner, ready to pounce in 3D, while players can listen to jungle drums or the calming sounds of nature as they track down the untamed beasts.

*"We're sure players will love going wild and getting into the Jungle Spirit with our latest video slot title, comments **Simon Hammon, Chief Product Officer of NetEnt.** "The game is a veritable feast for the senses and the Butterfly Boost feature adds a new, fun element that could bring big rewards."*
