## NetEnt adds table games to Spanish content portfolio as it celebrates second anniversary in growing market

**NetEnt, the leading provider of digital gaming solutions, will this month add table games to its content in offering in Spain as it marks its second anniversary in the regulated territory.**

The premium gaming solutions supplier has established a strong position in Spain, where it has gone live with a long list of operators since entering the nascent market in June 2015.

bet365, Bwin, Gamesys, PokerStars, and 888.es are among NetEnt's online casino partners that will benefit from the new content package, which includes online and mobile roulette and blackjack.

To mark its second anniversary in Spain, NetEnt is hosting a reception at Casino Cirsa Valencia at 20:00 on Tuesday, June 13<sup>th</sup>, where it will present more information about upcoming product releases and its country-specific offering.

The event for customers and companies interested in working with NetEnt coincides with the 2017 EXPOJOC trade fair, which is hosted on June 13<sup>th</sup>-14<sup>th</sup> at Feria Valencia, Spain.

**Enrico Bradamante, Chief of European Market Operations and MD of NetEnt Malta Ltd**, comments: *"The development of online gaming in Spain is happening at a positive rate, with turnover and revenues growing steadily year-on-year. It is an important and successful country for NetEnt with plenty of future potential."*

*"We are pleased to be expanding our offering to Spanish operators and look forward to celebrating our second anniversary in the market with our friends and customers that are visiting EXPOJOC."*
