June 21st 2017

NetEnt sparkles with launch of low poly graphic title **Butterfly Staxx**

NetEnt, the leading provider of digital gaming solutions, brings to life the bright world of tropical flowers and fluttering butterflies with its latest game, **Butterfly Staxx™.**

Created in a modern and stylish low poly design, the 5-reel, 4-row, 40-fixed line video slot is set in a paradise of glittering wings and breath-taking flora, which immerses players in a kaleidoscope of colour.

Butterfly Staxx is filled with a range of exciting gameplay highlights, including Wild substitutions, Re-Spins and Butterfly Spins, which incorporates the popular SuperStaxx™ feature also seen on NetEnt's successful 80s retro title **Neon Staxx™**.

Simon Hammon, Chief Product Officer of NetEnt, said: *“The release of **Butterfly Staxx** builds on a series of fantastic NetEnt game launches in 2017.*

*“With its vivid and enchanting graphics – in the popular low poly design – combined with classic gameplay and features, I’m sure **Butterfly Staxx** will be a successful addition to our award-winning portfolio.”*
