NetEnt's new release is a sword-flashing, swashbuckling super slot featuring Conan, the world's most fearsome and ferocious barbarian.

Instantly recognizable as the mighty comic, film and TV hero, NetEnt's adaptation features its trademark, superior slots design, soundtrack and gameplay.

Conan is a six-reel, four-row slot played with 24 bet lines paid both ways and different coin values that gives players the chance to plunder the reels for big wins.

The base game has massive variety to keep all players entertained, with four different features potentially activating on each spin: Tower Wilds, Mystery Symbols, Battle Wilds and the Thoth-Amon Feature.

"With a globally-loved brand and legendary central character, Conan is a perfect addition to the NetEnt portfolio of licensed titles. We've stayed true to everything that has made Conan so popular over the last 50 years and added some true NetEnt touches and terrific twists that make Conan Video Slot an incredibly playable game with a range of fantastic features," said **Bryan Upton, NetEnt Director of Games**.

NetEnt's diverse selection of exclusive licensed content includes Narcos, Vikings, Jumanj, Planet of the Apes, Guns n' Roses, Motörhead and Jimi Hendrix.
