# Projektengagemang sets new financial targets

The Board of Directors of Projektengagemang Sweden AB (publ) has established new financial targets.

“There are great opportunities to develop the company over the next few years, and by 2025 PE will be Sweden's leading technical consultant specialising in buildings. The updated financial targets reflect our ambitions for growth going forward,” commented Chairman **Per-Arne Gustavsson**.

Projektengagemang's new financial targets include:

- Profitability: 10 percent EBITA margin over time
- Growth: Annual growth of 15 percent over time, including acquisitions
- Leverage: A net borrowings/EBITDA ratio of max. 2.5
- Dividend policy: 30–50 percent of profit for the year will be distributed to shareholders.
