New Shares of Bittium Corporation Registered in the Trade Register

The Board of Directors of Bittium Corporation decided on a directed share issue without consideration for the payment of the share rewards based on the Company's share-based incentive scheme to the Company's management as announced on March 24, 2021. The new shares issued, a total of 9,098 shares, have been registered in the Trade Register today, March 29, 2021. After the registration, the total number of Bittium Corporation shares is 35,702,264. The newly registered shares will be admitted to trading on the Nasdaq Helsinki stock exchange on March 30, 2021.

The decision of the directed Share Issue without consideration is based on the authorization granted to the Board of Directors by the Company's Annual General Meeting of Shareholders held on June 15, 2020.
