Bittium's Analyst Coverage Expands

Bittium Corporation, Press Release on 3 June 2026 at 10:00 am (CEST+1)

Bittium Corporation has signed an analyst coverage agreement with the Swedish broker Skandinaviska Enskilda Banken AB (SEB) and SEB has published its initiation analysis. The analysis is available at <http://research.sebgroup.com/corporate/companies/3105/overview>. SEB offers Europe-based investors proprietary and timely research produced by the leading equity analysts in the Nordic region. Bittium's analyst in SEB is Nikko Ruokangas.

"It is important for us to meet investors' need for comprehensive stock analysis on Bittium, and therefore our goal has been to increase the number of analysts following Bittium. As interest in the company's shares continues to rise across Europe, we are expanding our analyst coverage to better serve both our domestic and our growing base of international investors," says Petri Toljamo, CEO of Bittium Corporation.

Bittium's share is also monitored by OP Pohjola, Inderes, Cantor Fitzgerald Europe, Stifel, NuWays AG and Danske Bank.

More information about Bittium's analysts is available at www.bittium.com/investors/shares-and-shareholders/analysts. Forecasts and analyses are the independent and unbiased views of analysts.
