

PRESS RELEASE

21 December 2020

WOODWORKS by BERGS starts selling garden furniture.

Bergs Timbers fully owned subsidiary Woodworks by Bergs acquires the brand Radical Wood. Radical Wood based in Åre, Jämtland, produces and sells wooden furniture for outdoor use. Radical Wood has on a relatively small scale delivered rustic outdoor furniture in a mountain environment and is now facing an expansion phase.

- We are pleased to acquire the brand Radical Wood and we see great opportunities for expansion. The products goes well together with our current product range and our ambition in wood protection and outdoor environments. The current holder of Radical Wood, Johan Forsgren, will from 1 January be employed in Woodworks, says Per Åke Bergh CEO Woodworks.

The products of Radical Wood is planned to be manufactured in Bergs Timbers facilities.

ABOUT BERGS

With wood as a raw material, Bergs produces processed wood products from sustainably managed forests in the Baltic Sea region. With years of experience in wood and a great deal of competence in processing, we promote building a sustainable society with renewable materials.

Our operations – conducted through wholly owned subsidiaries in Sweden, Estonia, Latvia and the UK – encompass sawmills and processing as well as distribution and logistics.

The Group has sales of approximately SEK 2 billion and around 850 employees. Bergs is listed on Nasdaq Stockholm, and its head office is in Vimmerby, Sweden.
