## Two-time Big winner at Mr Green Online casino.

**Dreams came true not once but twice for a [Mr Green](#) player who won two big wins within one week.**

A good week might mean getting home a little earlier from work than usual, having dinner with your family and perhaps getting some spare time to enjoy your favorite TV series. Well if you skip the TV shows - and try one of Mr Greens casino slots - you might find it's your lucky night.

This is exactly what happened not once, but twice in one week for Mr Green player, Sven. Two times Sven witnessed the symbols line up to big winning positions to the total amount of €320.000.

Winner Sven made the following comment when speaking to Mr Green earlier today:

*"I am so happy, it is such a great feeling! All of a sudden the symbols stopped spinning, and I saw the amount! I must say it was just amazing!"*

Sven, age 51 has been a Mr Green member since November 1<sup>st</sup> 2016 and when asked why he likes to play online casino he says:

*"I am self-employed and always very busy. I play once in a while to have a break and free my mind. I like Mr Green because of the big selection of slot games and I like that Mr Green cares about their customers, I have experienced this firsthand."*

Jesper Kärrbrink, CEO Mr Green Ltd. commented on Sven's winnings:

*"I speak for everyone working at Mr Green when I say we are very happy for Sven and his winnings. Our main focus is to offer people a break, a happening and a superior gaming experience in a safe environment. Making peoples' dreams come true through these kind of big winnings is a very nice jackpot for us to. But even more satisfying is to hear our players say they appreciate Mr Green for the excitement and high level of service we provide."*
