Building permit approved for 164 rental apartments in Linköping

On 20 April 2018, Bonava announced the divestment of a rental project in Linköping, Södra Ekkällan, to Bantorget Hyresbostäder, a transaction that was conditional upon the approval of a building permit.

The divestment included 164 rental apartments across four buildings with a sales price of approximately SEK 311 million.

Bonava can now announce that the building permit has gained legal force. The project is expected to be recognised in profit from the first quarter of 2020.
