About Nobina

Nobina is the largest and most experienced public bus transport service provider in the Nordic region. The company's expertise in prospecting, tendering and active management of public bus transport contracts in combination with long-term delivery quality makes Nobina the industry leader in terms of profitability, development and initiatives that promote a healthier industry.

Every day, Nobina ensures that close to one million people arrive at work, school or other activities by delivering contracted public bus transport services in Sweden, Norway, Finland and Denmark. In addition, Nobina offers special public transport services under the brand Samtrans in the Swedish market. The company has sales of about SEK 10 billion (2018/19), more than 11,000 employees, and is headquartered in Solna, Stockholm. For more information, see Nobina's website: www.nobina.com
