Nobina secures city transport contract in Malmö

Nobina's contract to operate city transport in Malmö has been renewed by Skånetrafiken. The contract concerns the operation of 101 scheduled buses and is worth about SEK 931 million over the contract period of three years.

Traffic services will start in June 2021 and, following the contract period of three years, there is an optional extension period of three years. All of the buses will be equipped with Wi-Fi, USB sockets and digital information screens. A large share of the bus services will be electric-powered.

“We are pleased to have secured this contract and look forward to continuing to work together with Skånetrafiken to develop city transport in Malmö, increasing the number of passengers and ensuring more satisfied customers while generating even greater societal benefits,” says Henrik Dagnäs, Managing Director, Nobina Sweden.

The award decision can be appealed until 9 December 2019.
