About Nobina

This is Nobina. We are the Nordic region's largest public transport operator, with 12,000 employees across four countries. Together with our passengers and clients, we are big enough to make a real difference. From a welcoming greeting and a comfortable bus journey, to new smart technology that contributes to more fossil-free travel. A unique opportunity to bring about change.

The Group operates in Sweden, Norway, Denmark and Finland and reported sales of almost SEK 11 billion in 2020/2021. In the Swedish and Danish markets, Nobina also operates special needs transportation under the Samtrans and Örslev brands, respectively. Nobina is listed on Nasdaq Stockholm.
