Together with our passengers and clients, we are big enough to make a real difference. From a welcoming greeting and a comfortable bus journey, to new smart technology that contributes to more fossil-free travel. A unique opportunity to bring about change.

The Group operates in Sweden, Norway, Denmark and Finland and reported sales of almost SEK 11 billion in 2020/2021. In the Swedish and Danish markets, Nobina also operates special needs transportation under the Samtrans, Göteborgs Buss, Telepass and Örslev brands, respectively.
