## Bram Lauwers appointed Managing Director of Nobina Denmark

**Bram Lauwers has been appointed Managing Director of Nobina Denmark and member of Nobina's Group management. Until now, Bram has had a dual role as Business Area Director for Nobina's operations in southern Sweden and Denmark, and fully assumed the role as Managing Director on 1 March.**

Bram Lauwers, with 22 years at Nobina and most recently as Business Area Director of Nobina Sweden with a dual role as Business Area Director for Nobina in Skåne, Halland and Denmark, will utilise his key strategic and operational expertise of public transport and Nobina in his new position as Managing Director of Nobina Denmark.

"I am pleased to now welcome Bram Lauwers to the position as Managing Director of Nobina Denmark. With his profound knowledge of public transport, commitment to Nobina and his leadership experience, he will now be able to devote all of his energy to continue this journey together with the Danish operation," says Henrik Dagnäs, President and CEO of Nobina.

Bram Lauwers continues: "I am both delighted and proud to have been given this opportunity. Over the past year, I have become very familiar with the Danish business, team and public transport system. It is an exciting opportunity for me and the Danish team that we can now continue to focus fully on developing the company and market."

### About Nobina

This is Nobina. We are the Nordic region's largest public transport operator, with 13,000 employees across four countries. Every day, all year round, one million people choose to travel more sustainably with us. From north to south, in urban and in rural areas. To the next bus stop, or all the way home. Together with our passengers and clients, we are big enough to make a real difference. From a welcoming greeting and a comfortable bus journey, to new smart technology that contributes to more fossil-free travel. A unique opportunity to bring about change.

The Group operates in Sweden, Norway, Denmark and Finland and reported sales of almost SEK 13 billion in 2021/2022. In the Swedish and Danish markets, Nobina also operates service traffic under the Samtrans, Göteborgs Buss, Telepass and Ørslev brands, respectively.

Together, we keep society moving every day.
