

Wilson Therapeutics announces agenda for Capital Markets Day on 21 March 2018

Wilson Therapeutics (publ) is pleased to announce the agenda for its Capital Markets Day to be held in Stockholm on Wednesday 21 March 2018.

Members of the senior management team will be joined by Dr. Frederick K. Askari MD, PhD, Associate Professor and Director of the Wilson Disease program at the University of Michigan. The program will include in-depth discussion on Wilson Disease and WTX101 (bis-choline tetrathiomolybdate), a first-in-class copper-protein-binding agent with a unique mechanism of action currently in Phase 3 development for Wilson Disease.

Agenda

- **Welcome and Introduction**
Jonas Hansson, Chief Executive Officer, Wilson Therapeutics
- **Wilson Disease – A Physician’s Perspective**
Dr. Frederick K. Askari, MD PhD, Associate Professor and Director of the Wilson Disease program at the University of Michigan
- **The first potential new drug for Wilson Disease in decades – WTX101 mechanism and key differentiating features**
Dr. Thomas Plitz, Chief Scientific Officer, Wilson Therapeutics
- **Clinical experience with WTX101 - detailed overview and discussion of Phase 2 data**
Dr. Carl Bjartmar, Chief Medical Officer, Wilson Therapeutics and Dr. Frederick K. Askari
- **Phase 3 FOCuS study**
Dr. Carl Bjartmar
- **Market analysis and commercial planning**
Dr. Vincent Metzler, Vice President Commercial Planning & Launch Strategy, Wilson Therapeutics
- **Q&A**
- **Drinks & light refreshments**

The event, which will be held in English, will take place at GT30, Grev Turegatan 30, Stockholm. Registration onsite will be from 13:30 CET, presentations will commence at 13:45 CET / 08:45 EST and are expected to conclude at 16:15 CET / 11:15 EST. Drinks and light refreshments will be served after the event.

To register to attend the event please email: lauren.williams@wtx.se.

The event will also be webcast live. A replay will be made available shortly after the event. Further details on how to join the webcast can be found at www.wilsontherapeutics.com under Investors & Media/Presentations.
