## **Large Swedish insurance company chooses Flowscape**

**Flowscape has signed an agreement with a large Swedish insurance company in a deal worth approximately SEK 400,000. The installation will take place at the company's head office in the Stockholm area.**

After a successful pilot project, the insurance company has chosen to expand their installation with room panels at their head office. The order is part of a first stage that may involve an expansion of the Flowscape Smart Office System in the future. The deal is carried out in collaboration with Flowscape's partner AudicomPendax.
