

Large Swedish company chooses FlowScape

One of the largest companies in Sweden selected FlowScape Smart Office solution to their head office. The order value is appr. 1 million sek over three years.

The industry leading customer with operations in more than 50 countries selected FlowScape for the company head office in Sweden. The solution will cover a room bookings solution, desk management and when using smart sensors the company will get valuable information on actual utilisation of the office. It is a three-year contract with a first year value of 460.000 SEK and thereafter a yearly 260.000 SEK. The contract is in collaboration with FlowScape partners Co-Ideation and Ricoh.

"We are very pleased that FlowScape smart office solution has been selected. For us it is a proof that the FlowScape solution delivers value both to multinational companies as well as local companies. FlowScape is a leader in end to end solutions for smart offices" says Anders Malmström, Responsible for Sales and Market at FlowScape.

About FlowScape AB

FlowScape is "the modern office flowmaker". By offering state-of-the-art IoT technology, FlowScape reduces time-consuming and increases peer interaction and productivity. The main function, Flowmap, gives companies an overview of the office and enables you to quickly find rooms, desks, office equipment and colleagues. FlowScape also has the communication tool C-One, a flexible platform for managing large-scale communication based on existing infrastructure. FlowScape has offices in Stockholm (main office) and London.
