About Flowscape Technology AB

Flowscape is a Prop-Tech company with a world-leading solution for social distancing in the office, optimization of office space and a more efficient workday. The solution uses the latest IoT sensors and indoor positioning technology to create a state of the art SaaS solution for smart offices. The main function, Flowmap, gives companies an overview of the office and enables them to quickly find rooms, desks, office equipment and colleagues as well as analysis of the use of the spaces. Flowscape also has a communication tool for efficient geo fence specific communication to people in a building or people within an area in the event of a crisis. Flowscape has offices in Stockholm (headquarters), Sofia, San Francisco and London.
