GomSpace Group AB reschedules Annual General Meeting

GomSpace Group AB (the “Company”) announces that its Annual General Meeting, previously scheduled for May 19, 2026, will be held at a later date.

The Annual General Meeting will be held in the following week to allow for completion of the necessary formalities. A new notice convening the Annual General Meeting will be published as soon as possible.

In connection with this, the Company will publish its Annual Report in due time ahead of the rescheduled Annual General Meeting, and no later than week 19, 2026.

About GomSpace Group AB

Founded in 2007, GomSpace is a global provider of small satellite solutions with customers in more than 60 countries. The company’s business operations are mainly conducted through the wholly owned Danish subsidiary, GomSpace A/S, with headquarters and operational facilities in Aalborg, Denmark. GomSpace also has key operations in Luxembourg, France, and the United States. GomSpace develops and delivers advanced systems and services that enable governments, commercial enterprises, and research institutions to achieve their objectives in space. The company’s expertise covers satellite subsystems, complete small satellite missions, and satellite operations, providing solutions that support smarter, faster, and more affordable access to space.

The company is listed on Nasdaq First North Premier Growth Market in Stockholm under the ticker GOMX. FNCA Sweden AB is the Company’s Certified Adviser. For more information, please visit
