Raketech initiates share repurchases

The Board of Directors of Raketech Group Holding P.L.C. ("Raketech") has pursuant to the authorisation of the Annual General Meeting on 8 May 2019 resolved to initiate a programme to repurchase its own shares.

The buy-back programme will be carried out in accordance with the Market Abuse Regulation (EU) 596/2014 ("MAR") and the Commission Delegated Regulation (EU) 2016/1052 ("Safe Harbour Regulation").

The purpose of the buy-back programme is to decrease Raketech's capital. The repurchases shall be made on Nasdaq First North on one or more occasions during the period starting 5 June 2019 until 4 May 2020. In total, a maximum of 3,790,063 shares may be repurchased, corresponding to approximately 10 percent of the outstanding number of shares in Raketech at a price per share that is within the registered price interval at any given time, i.e., the interval between the highest buying price and lowest selling price, and in accordance with the limitations regarding price and volume as set out in the Safe Harbour Regulation. Repurchases can be carried out up to a maximum amount of SEK 113 million during the period and payment for the shares will be made in cash.

At the time of publication of this press release the total number of shares and votes in Raketech is 37,900,633 of which Raketech holds no (0) own shares.
