Minesto announces the final outcome of the company's rights issue

On 2 April 2024, Minesto AB (publ) ("Minesto" or the "Company") announced the preliminary outcome of the Company's rights issue of up to 13,394,391 units, consisting of three (3) shares and one (1) warrant of series TO4 in the Company each (the "Rights Issue"). The Company has received the final outcome of the Rights Issue, which is identical to the preliminary results, which concludes that 6,527,171 units, corresponding to approximately 48.7 percent of the Rights Issue, have been subscribed for with the support of unit rights. Additionally, applications for subscription of 288,226 units, corresponding to approximately 2.2 percent of the Rights Issue, have been received for subscription of units without the support of unit rights. In aggregate, the subscriptions with the support of unit rights and the applications for subscription without the support of unit rights correspond to approximately 50.9 percent of the Rights Issue. Hence, guarantee commitments of 4,312,385 units, corresponding to approximately 32.2 percent of the Rights Issue, will be utilized. The Rights Issue will provide the Company with proceeds of approximately SEK 100.2 million before deduction of costs related to the Rights Issue. Upon full exercise of all the warrants of series TO4 the Company is expected to raise up to an additional approximately SEK 50.1 million before deduction of cost related to the exercise of the warrants.

On 26 February 2024, Minesto announced that the board of directors of the Company had resolved on the Rights Issue, conditional upon the approval of a general meeting. 14 March 2024, Minesto announced that the extraordinary general meeting on the same date had resolved to approve the Rights Issue. The subscription price in the Rights Issue was SEK 9.0 per Unit, corresponding to SEK 3.0 per share.

Final outcome

The Rights Issue is comprised of 13,394,391 units, of which 6,527,171 units, corresponding to approximately 48.7 percent of the Rights Issue, have been subscribed for with the support of unit rights. Additionally, applications for subscription of 288,226 units without the support of unit rights has been received, corresponding to approximately 2.2 percent of the Rights Issue. Consequently, the Rights Issue is subscribed to approximately 50.9 percent with and without the support of unit rights. Guarantee commitments of 4,312,385 units, corresponding to approximately 32.2 percent of the Rights Issue, will be utilized. The Rights Issue will provide the Company with proceeds of approximately SEK 100.2 million before deduction of costs related to the Rights Issue. Upon full exercise of all the warrants of series TO4 the Company is expected to raise up to an additional approximately SEK 50.1 million before deduction of cost related to the exercise of the warrants.

The last day of trading in paid subscribed units (Sw. BTU) is expected to be on 16 April 2024. The new shares and warrants of series TO4 subscribed for with and without the support of unit rights are expected to be traded on Nasdaq First North Growth Market as from 22 April 2024.

Notice of allotment

Those who have subscribed for units without the support of unit rights will be allocated units in accordance with the principles set out in the prospectus published by the Company on 15 March 2024. Notice of allotment to the persons who subscribed for units without the support of unit rights is expected to be distributed on 4 April 2024. Subscribed and allotted units shall be paid in cash in accordance with the instructions on the settlement note sent to the subscriber. Subscribers who have subscribed through a nominee will receive notification of allocation in accordance with their respective nominee's procedures. Only those who have been allotted units will be notified.

Number of shares and share capital

Through the Rights Issue, the number of shares in Minesto will increase by 33,383,346, from 160,732,694 to 194,116,040 and the share capital will increase by SEK 1,669,167.30, from SEK 8,036,634.70 to SEK 9,705,802.00. Shareholders that have not participated in the Rights Issue will be diluted by approximately 17.2 percent.

Upon full exercise of the warrants of series TO4 issued in the Rights Issue, the number of shares will increase by 11,127,782 and the share capital will increase by SEK 556,389.10, resulting in an additional dilution effect of approximately 5.4 percent.

Warrants of series TO4

One (1) warrant of series TO4 entitles the holder to subscribe for one (1) new share in the Company during the period from and including 18 March 2025 up to and including 1 April 2025. The subscription price for subscription of shares with the support of warrants of series TO4 will correspond to 70 percent of the volume-weighted average price in the Company's share on Nasdaq First North Growth Market during the period from and including 3 March 2025 up to and including 14 March 2025, however, not less than the shares' quota value (currently SEK 0.05) and not more than SEK 4.5 per share.

The complete terms and conditions of the warrants of series TO4 is available on the Company's website, www.minesto.com.

Forward-looking statements

This press release contains forward-looking statements that reflect the Company's intentions, beliefs, or current expectations about and targets for the Company's future results of operations, financial condition, liquidity, performance, prospects, anticipated growth, strategies and opportunities and the markets in which the Company operates. Forward-looking statements are statements that are not historical facts and may be identified by words such as "believe", "expect", "anticipate", "intend", "may", "plan", "estimate", "will", "should", "could", "aim" or "might", or, in each case, their negative, or similar expressions. The forward-looking statements in this press release are based upon various assumptions, many of which are based, in turn, upon further assumptions. Although the Company believes that the expectations reflected in these forward-looking statements are reasonable, it can give no assurances that they will materialize or prove to be correct. Because these statements are based on assumptions or estimates and are subject to risks and uncertainties, the actual results or outcome could differ materially from those set out in the forward-looking statements as a result of many factors. Such risks, uncertainties, contingencies and other important factors could cause actual events to differ materially from the expectations expressed or implied in this release by such forward-looking statements. The Company does not

guarantee that the assumptions underlying the forward-looking statements in this press release are free from errors and readers of this press release should not place undue reliance on the forward-looking statements in this press release. The information, opinions and forward-looking statements that are expressly or implicitly contained herein speak only as of its date and are subject to change without notice. Neither the Company nor anyone else undertake to review, update, confirm or to release publicly any revisions to any forward-looking statements to reflect events that occur or circumstances that arise in relation to the content of this press release, unless it is required by law or Nasdaq First North Growth Market rule book for issuers.

Information to distributors

Solely for the purposes of the product governance requirements contained within: (a) EU Directive 2014/65/EU on markets in financial instruments, as amended (“**MiFID II**”); (b) Articles 9 and 10 of Commission Delegated Directive (EU) 2017/593 supplementing MiFID II; and (c) local implementing measures (together, the “**MiFID II Product Governance Requirements**”), and disclaiming all and any liability, whether arising in tort, contract or otherwise, which any “manufacturer” (for the purposes of the MiFID II Product Governance Requirements) may otherwise have with respect thereto, the shares have been subject to a product approval process, which has determined that such shares are: (i) compatible with an end target market of retail investors and investors who meet the criteria of professional clients and eligible counterparties, each as defined in MiFID II; and (ii) eligible for distribution through all distribution channels as are permitted by MiFID II (the “**Target Market Assessment**”).

Notwithstanding the Target Market Assessment, Distributors should note that: the price of the shares in the Company may decline and investors could lose all or part of their investment; the shares in the Company offer no guaranteed income and no capital protection; and an investment in the shares in the Company is compatible only with investors who do not need a guaranteed income or capital protection, who (either alone or in conjunction with an appropriate financial or other adviser) are capable of evaluating the merits and risks of such an investment and who have sufficient resources to be able to bear any losses that may result therefrom. The Target Market Assessment is without prejudice to the requirements of any contractual, legal or regulatory selling restrictions in relation to the Rights Issue.

For the avoidance of doubt, the Target Market Assessment does not constitute: (a) an assessment of suitability or appropriateness for the purposes of MiFID II; or (b) a recommendation to any investor or group of investors to invest in, or purchase, or take any other action whatsoever with respect to the shares in the Company.

Each distributor is responsible for undertaking its own Target Market Assessment in respect of the shares in the Company and determining appropriate distribution channels.
