About Starbreeze

Starbreeze is a global game company whose vision is to be a leading provider in the entertainment industry by creating world-class experiences. Starbreeze was founded in 1998 and has since evolved into a well-established developer and publisher of PC and console games and VR products aimed at the global market. With studios in Stockholm, Paris, Los Angeles, San Francisco, Barcelona, Brussels, Bangalore and Dehradun. Starbreeze develops high-quality entertainment products based on proprietary and third-party rights, both in-house and in partnership with external game developers. Operations are organized in three business areas: Starbreeze Games for own game development, Publishing, and VR Tech for technology development including the StarVR venture. Starbreeze shares are listed on Nasdaq Stockholm under the tickers STAR A and STAR B with the ISIN-codes SE0007158928 (A share) and SE0005992831 (B share).
