PAYDAY 2 is an action-packed, four-player co-op shooter that once again lets gamers don the masks of the original PAYDAY crew - Dallas, Hoxton, Wolf and Chains - as they descend on an epic crime spree.

With more than 6.4 million community members on the main PC digital distribution platform Steam, PAYDAY 2 have had more than 190 paid and free updates since its release in 2013. First launched in 2011, PAYDAY is a cooperative first-person shooter computer and video game franchise with more than 18 million units sold on PC, SteamOS, PlayStation™ 3, Xbox 360, PlayStation™ 4, Xbox One and the Nintendo™ Switch system. PAYDAY 2 in VR is also available for existing owners of PAYDAY 2 on Steam for the HTC Vive and the Oculus Rift headsets. PAYDAY 2 development was halted in December 2018, but on October 25, 2019, with the introduction of the PAYDAY 2: Legacy collection, it was announced that development had been resumed.
