- Zittern Stock

**Pronghorn Sniper Rifle** with accompanying mods:

### **6 New weapon charms**

### **2 New exclusive weapon sets**

### **Midland Bundle**

We've changed how we package our DLC's. This bundle contains 3 DLC's released over the next few months. This serves not only to give the best price to those who invest in us early, but also gives our team the time they need to finish every piece of content without a huge release deadline of having everything released at once looming in the distance.

The Midland bundle is set as a static bundle, meaning it's giftable through Steam, it does mean however that players are unable to 'top up' as is possible with some of our other bundles, it also means that purchasing one DLC outside of the Bundle will prevent you from getting the Bundle afterwards.
