

2023 - The Year of PAYDAY

– The new year starts with a logo reveal for PAYDAY 3 and wishlist set live on Steam

January 1st, Stockholm –Today Starbreeze Studios celebrates the New Year by sharing an update about the much anticipated PAYDAY 3, reaffirming a global 2023 release on PC and consoles. While a specific release date is yet to be announced, the reveal includes the never-before-seen PAYDAY 3 logo reveal. The PAYDAY 3 store page on Steam is [live](#) and users may now wishlist the title and join the community hub.

PAYDAY 3 is the sequel to PAYDAY 2, one of the most played games on PC. Released 10 years ago in 2013, PAYDAY 2 today has sold over 40 million copies and boasts the largest community on Steam with over 8 million players. PAYDAY 3 takes the old crew – Dallas, Hoxton, Wolf and Chains – out of retirement. They've come back to a life of crime in a whole new destination, New York City.

A [special message](#) to the PAYDAY 2 Steam community was posted at the same time as the logo was revealed.

About PAYDAY 2

PAYDAY 2 is an action-packed, four-player co-op shooter that lets gamers don the masks of the original Payday Gang - Dallas, Hoxton, Wolf and Chains - as they embark on an epic crime spree across the USA.

First launched in 2011, PAYDAY is a cooperative first-person shooter computer and video game franchise with more than 18 million units sold on PC, SteamOS, PlayStation™ 3, Xbox 360, PlayStation™ 4, Xbox One and the

Nintendo™ Switch systems. With more than 8 million community members on the main PC digital distribution platform Steam, PAYDAY 2 has had more than 230 paid and free updates since its release in 2013. PAYDAY 2 in VR is also available for existing owners of PAYDAY 2 as a free upgrade on Steam for the HTC Vive and the Oculus Rift headsets.

About PAYDAY 3

PAYDAY 3 is the explosive sequel to one of the most popular co-op shooters of the past decade. Join the PAYDAY gang as they return to a life of crime in New York City. Available for wishlist now!
