

# Episurf Medical enters into distribution agreement for Spain and Portugal

Episurf Medical (Nasdaq: EPIS B) today announces that the company has appointed Medcom Tech as distributor for Episurf Medical's implant technology, comprising Episealer® Knee and Episealer® Talus, in Spain and Portugal. Medcom Tech is a development and distribution company focusing on orthopaedic surgery, traumatology, neurosurgery and anesthesia. The company has approximately 140 employees and is headquartered in Spain.

*"Medcom Tech, which is a well-established company in Spain and Portugal. We look forward to offering our implant technology through the skilled sales force of Medcom Tech",* says Pål Ryfors, CEO Episurf Medical.

*"Medcom Tech is very pleased with this agreement, Episurf perfectly matches with our strategy of bringing high technological companies to Spain and Portugal and help them to grow in our markets. Medcom Tech sells high innovative products in more than 500 hospitals in Spain and Portugal,* says Juan Sagales, CEO Medcom Tech.
