

## First Episealer® Talus surgery performed in Israel

Episurf Medical (Nasdaq: EPIS B) today announces that the first surgery in Israel with the ankle implant Episealer® Talus was successfully performed last week. Dr. Ezequiel Palmanovich performed the surgery at Meir Medical Center, assisted by Prof. Niek van Dijk with support from Episurf. Since previously, the Episealer® Knee technology is available in Israel.

*"We are pleased with adding an additional market as this was the first Episealer® Talus surgery in Israel", says Pål Ryfors, CEO Episurf Medical.*

*Prof. Niek van Dijk and the surgical team at Meir Medical Center, Israel.*
