About Ovako

Ovako develops high-tech steel solutions for, and in cooperation with, its customers in the bearing, transport and manufacturing industries. Our steel makes our customers' end products more resilient and extends their useful life, ultimately resulting in smarter, more energy-efficient and more environmentally friendly products.

Our production is based on recycled scrap and includes steel in the form of bar, tube, ring and components. Ovako is represented in more than 30 countries and has sales offices in Europe, North America and Asia. Ovako's sales in 2016 amounted to EUR 781 million, and the company had 2,800 employees at year-end. For more information, please visit us at www.ovako.com.
