

PRESS RELEASE  
2018-05-24

## **Eyeonid Group AB (publ) and Willis Towers Watson has signed a Letter of Intent (LOI)**

**Eyeonid Group (Eyeonid) and insurance broker Willis AB, a subsidiary of Willis Tower Watson PLC, (Willis Towers Watson) has signed a LOI regarding ID-protection-related services.**

As recently communicated in Eyeonid Group's latest report, the EyeOnID business area is working to provide a comprehensive offer to its prospective customers. EyeOnID's offer will be modular and cover the range from proactive modules, such as ID monitoring and risk classification, to reactive modules in the form of support, assistance, knowledge portal, etc.

These modules will be packaged with ID protection insurance provided by Willis Towers Watson.

The packaged product will be tailored to the needs of each customer and marketed to both existing and new customers in the common geographic markets.

*This information is information that Eyeonid Group AB (publ) is obliged to disclose under the EU Market Abuse Regulation. The information was provided, through the contact of the above contact person, for publication on the 24th May 2018.*

*Eyeonid was founded in 2014 and has since its inception developed a technically complex and advanced platform for proactive ID protection services. The company's service monitors and alerts customers when sensitive, private and corporate digital information, such as login credentials, credit card numbers and social security numbers, are found at unauthorized sites on the internet, whereupon the customer can act and protect himself.*
