

PRESS RELEASE
2018-06-29

Eyeonid Group AB (publ) and Société Générale Insurance Germany has signed a Letter of Intent (LOI)

Eyeonid Group AB (Eyeonid Group) and the insurance company Société Générale Insurance Germany (Société) signed a LOI today regarding the product EyeOnID.

As earlier communicated, the insurance industry is one of the prioritized industries which has shown great interest for the services provided by Eyeonid Group.

Société and Eyeonid Group has for some time discussed the possibility for Société to add different modules from the product EyeOnID to their insurance. As the parties are entering commercial negotiations, this LOI has been signed and Eyeonid Group has chosen to publish the news to avoid any potential “leaks” to the market.

This information is information that Eyeonid Group AB (publ) is obliged to disclose under the EU Market Abuse Regulation. The information was provided, through the contact of the above contact person, for publication on the 29th June 2018.

Eyeonid was founded in 2014 and has since its inception developed a technically complex and advanced platform for proactive ID protection services. The company's service monitors and alerts customers when sensitive, private and corporate digital information, such as login credentials, credit card numbers and social security numbers, are found at unauthorized sites on the internet, whereupon the customer can act and protect himself.
