About Crunchfish – crunchfish.com

Crunchfish is a technical pioneer within digital payments with its ground-breaking Digital Cash Wallet using a two-step payment process, first clearing offline followed by online settlement, which makes digital payments robust and independent from the net. Crunchfish Digital Cash Wallet is extremely flexible and may be used with all types of payment services. Crunchfish has also developed Blippit, an app terminal that connects to cash register systems for both online and offline payments and have a patent-pending solution to reduce food waste. Crunchfish also develops gesture control of smart AR glasses for the consumer market. Crunchfish is listed on Nasdaq First North Growth Market since 2016, with headquarters in Malmö, Sweden and with representation in India.
