

## Crunchfish accelerate investor communication with equity research from Emergers

To increase the understanding among investors for Crunchfish and our value proposition, and connect with new investors, Crunchfish has signed an agreement with Emergers for their Commissioned Research and Corporate Broking service. Crunchfish will continue with offering commissioned research from Västra Hamnen Corporate Finance in parallel.

Emergers' Commissioned Research service comprises equity research coverage, video interviews, graphic quicktakes and other material to communicate Crunchfish's equity story to existing and new investors in an accessible way. Emergers' Corporate Broking service aims to actively increase attention on Crunchfish equity story from investors of all levels. Emergers plans to initiate coverage on Crunchfish during January 2023. Since inception in 2020, [Emergers](#) have helped over 30 Small Caps across Nasdaq First North Stockholm, Nasdaq First North Helsinki, Spotlight and Nordic SME to connect with new investors.

Crunchfish have provided its investors with commission research from [Västra Hamnen Corporate Finance](#) since May 2019. Their equity research reports are available here at [Crunchfish website](#) as well as on [Västra Hamnen's Corporate Finance website](#). Crunchfish intend to continue with offering their equity research as well in parallel.
