The second 3-year contract with 2-year extension is at St Catherine's Catholic College in Bexleyheath, a secondary school with 1058 pupils aged 11 to 16. This contract also commences on 1 August 2013 with an estimated turnover over the 5-year period of around £1.4m.

Cucina's Director of Food Sam Davies said: "We are very careful in the contracts that we target. Both of these schools share our high aspirations and we're very much looking forward to working with them in educational partnership."
