Obducat receives order from German customer

OBDUCAT AB (publ) subsidiary Obducat Europe GmbH, a leading supplier of system solutions for lithography processing, has received a repeat order from a wafer manufacturing company in Germany, for the supply of a MC 204 fully automated Brush Cleaner System. The order value amounts to approx. 3 million SEK.

The MC 204 system will be installed in the cleanroom facilities in CMP (Chemical Mechanical Polishing) cleaning department. This is a repeat order, of a processing tool that was delivered in 2014, for the purpose of expanding the production capacity.

The MC204 system is planned to be delivered in February 2018.

This is information that Obducat AB (publ.) is required to disclose pursuant to the Swedish Securities Market Act and/or the Financial Instruments Trading Act. The information was submitted for publication on October 25th, 2017 at 11.30 CET.
